To the recipient's  
of this pass:

Please accept this pass, without judgment or argument. It is important for you to know that while you may think that I need to do this, I can't. At least, not right now. By giving you this pass I am not “refusing” you or “ignoring” you, I am just asking that you allow me the option of not doing it, without offense or disregard. I know that this is important to you and I respect that, so please respect that I am just not up to it at this time. Thank you!
